

WSI Start-up WEB Solution!

Special Pricing!*
\$1,299 + Hosting
*For a limited time only, call for details. You won't find this price anywhere else!

FEATURES:

- ➔ **Business-grade, highly functional solution. This isn't brochure-ware**
- ➔ **Flexible, scalable, and modular so as your online business needs grow, so can your website!**
- ➔ **Database-driven with unlimited pages. Includes backend administration tool too!**

KEY BENEFITS

- ➔ 58% of all small businesses now compete on the internet. You too can compete with your own internet presence on the World Wide Web!
- ➔ Raise brand awareness, generate additional revenue, or save operating expense with an online marketing strategy that works (that's why we call this a web **solution!**).
- ➔ Use our Email Marketing Manager to send out promotional information, email reminders, or newsletters to your customers.
- ➔ Manage your own content with the backend administration tool that comes with this site!
- ➔ Be found by prospects looking for your services through Google or Yahoo, because your website will be search engine optimized!

SPECIFICATIONS

- ➔ *Home and About Us* page with Page Content Manager (PCM) so you can change text and images whenever **YOU** want
- ➔ *Services or Products* page (database-driven, with unlimited sub-pages). Includes PCM!
- ➔ Choice of one of the following database-driven pages: *FAQ, Links, News, or Our People* (with PCM!)
- ➔ Advanced Fast Track "Look & Feel" (aka, your graphical design). We'll incorporate your existing logo so the site will reflect your unique brand identity!
- ➔ *Contact Us* page with *Email Marketing Manager!*
- ➔ Domain Name Registration or Transfer included. Website Hosting with Email Accounts separate.
